February 8-10, 2019

As a member of the steering committee for the 2019 Natural Spirituality Regional Gathering, it is my pleasure to invite you to join us at Camp Mikell in the bare winter woods of North Georgia. Come delight in the sleeping woods; hear the streams splash and the fires crackle. Raise your voice with us in song with our very own group of stellar musicians, "The Unconscious." Come and journey with us into the wisdom of shared story, dreams, and a rich community of spiritual pilgrims.

We are very excited to have Ruth and George Reynolds serving as emcees, and dear friends Robert Pullen, Sheri Kling, and Diana McKendree as our keynote speakers. We will again be having a variety of workshops and dream group opportunities. Hope to see you there!!
