February 7-9, 2020

As a member of the steering committee for the 2020 Natural Spirituality Regional Gathering, it is my pleasure to invite you to join us at Camp Mikell in the bare winter woods of North Georgia. Come delight in the sleeping woods; hear the streams splash and the fires crackle. Raise your voice with us in song with our very own group of stellar musicians, "The Unconscious". Come and journey with us into the wisdom of shared story, dreams, and a rich community of spiritual pilgrims.

We are pleased to have Sheri Kling serving as emcee. As in all other years we will have a fire every night in the main conference area, contemplative prayer, small dream groups, a great bookstore, art room; optional stargazing, late night movie, drum circle and bonfire; and many wonderful workshops. This year we also have an extra dream group scheduled on Saturday! Hope to see you there!!
